

Here is a simple 4-step guide for connecting with me for **Talk Farm to Me**.

STEP ONE

Go to your smart phone's store for applications.

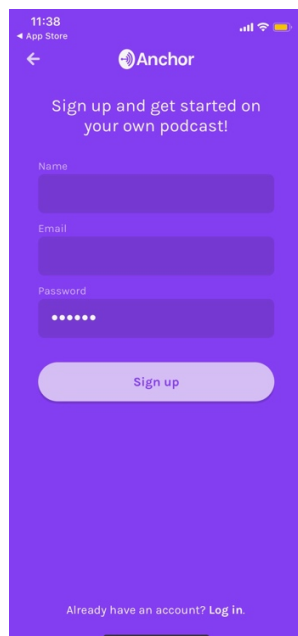

STEP TWO

Download the Anchor App.
It's free and it looks like this.

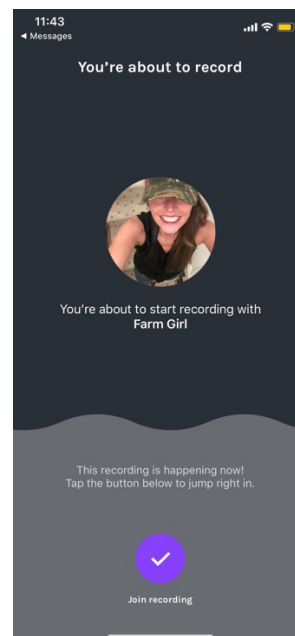

STEP THREE

Set up an account with your personal information (name & email).

STEP FOUR

Stay tuned for an invitation from me (at a time we agree on) and Anchor will automatically record us.

That's me.
